ABOUT US

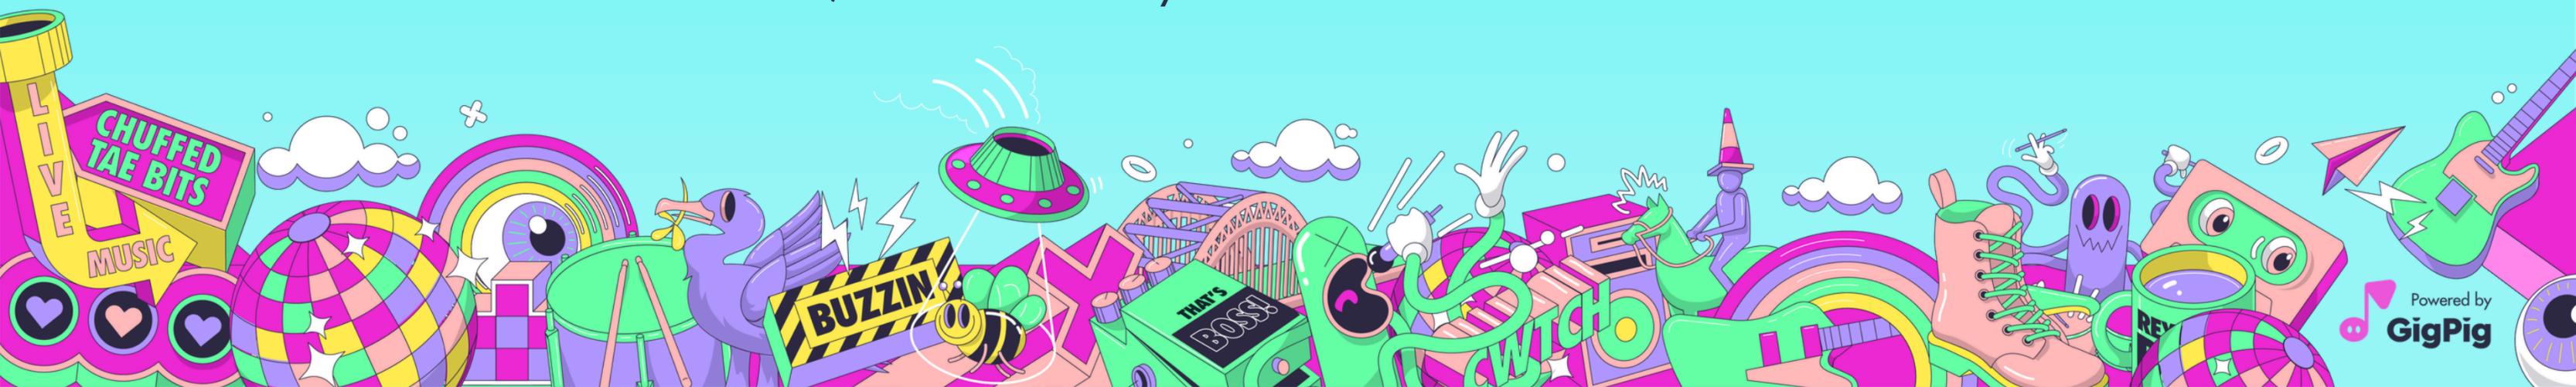

WHAT IS THE SEED SOUNDS WEEKENDER?

The Seed Sounds Weekender is the largest multi-venue festival in the UK.

The festival will see thousands of acts grace stages at venues in towns and cities up and down the UK this April. Presented by live music and entertainment marketplace GigPig, it will bring thousands of music fans into the UK's pubs, clubs, restaurants and hotels to take part in the world's biggest celebration of 'seed music venues' and the music careers they ignite.

GigPig will be removing the cost to book for venues for this weekend, making it the most accessible, affordable way to book entertainment.
